

## What our Members Have to Say!

*We have been members of the Frankston Chamber of Commerce since we purchased the Frankston Sign A Rama business in May 2007.*

Norma and I, (David) were new to the Frankston area in 2007 and part of our business plan was to join as many networking and community groups as possible and to take part in as many activities as possible.

We have attended almost every Chamber networking event since then and been an active participant in all trade nights and expos that have been held.

In August 2009 we enjoyed our first networking night held at our premises in Klauer Street Seaford, we found this to be a highly successful evening and has enabled us to engage with many other business owners and managers who attended.

We have found the Frankston Chamber committee and members to be supportive and proactive in there endeavours to promote local businesses.

In our opinion The Chamber network is an excellent conduit for meeting business representatives and owners that gives us all the opportunity to generate and build relationships not only in business arena but also in a social environment.

We have met some wonderful people through the Chamber activities who are now both clients and friends.

Well done to the Chamber Team and keep up the good work.

Kind Regards

David and Norma Extance

## Businesses Expo-sed!

Hot Deals on Offer

*This year we have secured a larger venue to accommodate even more exhibitors with "Hot Deals".*

Business operators from throughout the greater Frankston region will be displaying their wares at the Frankston Arts Centre in a bid to demonstrate to the public the vast range of trades, services and products being offered locally.

Frankston Business Chamber President, Sorin Ionascu said that "There is a plethora of amazing businesses available in this area and we want to showcase the wonderful innovations at our fingertips."

The Frankston Business Chamber held the first Frankston Trade Expo last year with over 80 displays, it generated fantastic results for both exhibitors and attendees. This year we have secured a larger venue to accommodate even more.

All facets of business and related services are invited to be on display, providing attendees with the opportunity to meet the business operators and get the best information direct from the source. Meet new local suppliers and talk to the experts in a friendly environment.

Don't miss this exciting opportunity to promote your business on

17th August, 5-8pm,  
Frankston Arts Centre,  
Davey St, Frankston.

Registration for exhibitors is now open but spaces are limited.
